

Enmanuel Guerrero Santana

Santo Domingo, Dominican Republic · +1 809 706 1588 · enmanuelgs002@gmail.com · github.com/enmanuelgs · egsportafolio.vercel.app

Full Stack Developer with solid experience in the **.NET (C#)** ecosystem, specialized in building APIs and worker services under **Clean, Onion, and Repository Pattern** architectures. Advanced in frontend development using **React 19, TypeScript 5.9, JavaScript**, and Bootstrap, focused on interface optimization with Vite and MUI. Advanced proficiency in **MSSQL, RDBMS, and Oracle** databases, integrating tools such as **Liquibase** and **MinIO** for data management. Proficient in collaborative work through **Git** and agile **SCRUM** methodologies on platforms like Jira and Azure DevOps, ensuring software quality with **xUnit** and **Serilog**. Highly capable of mastering new technologies and transforming them into innovation tools that generate real value for organizational goals.

EXPERIENCE

Ministry of Education of the Dominican Republic (MINERD)

Intern – ICT Projects Department

Santo Domingo, DR

April 2026 – Present

- Develop the institutional backend using **.NET 8** under **Clean Architecture**, applying **CQRS** and **Mediatr** patterns to ensure system maintainability and architectural rigor.
- Design and manage data persistence in **SQL Server**, integrating **Liquibase** for database version control and guaranteeing data integrity in the digitalization of public services.
- Collaborate on the frontend with **React 19** and **TypeScript**, focusing on performance optimization through **SWR** and usability standards compliance with **MUI v7**.
- Ensure software quality by executing unit tests in **xUnit** and monitoring data flows with **Serilog**, promoting robust development practices within the technical team.
- Manage storage infrastructure with **MinIO**, facilitating the technological transition of bureaucratic processes toward scalable, high-availability digital solutions.

Central Directorate of Intelligence and Technology P.N. (DINTEL)

Intern – Technology Department

Santo Domingo, DR

September 2022 – June 2023

- Developed a desktop application for departmental equipment control using **C# .NET** and **SQL Server Management Studio**.
- Collaborated in software maintenance for equipment requesting first- and second-level technical support.
- Produced hardware and software status reports for institutional assets through intermediate and advanced use of the **Microsoft Office Suite**.

Politecnico Belisario Peguero Guerrero P.N.

Developer

Santo Domingo, DR

January 2022 – August 2022

- Developed a system for the registration department to optimize administrative and business logic processes using **C# .NET** and **SQL Server Management Studio**.
- Led the development team applying agile **SCRUM** methodology with 2-week sprints.
- Produced full project documentation including UML component diagrams, flow diagrams, use cases, and activity diagrams.

EDUCATION

Instituto Tecnológico de las Americas (ITLA)

Associate Degree in Software Development · GPA: 3.8

Santo Domingo, DR

January 2024 – Present

CERTIFICATIONS AND TRAINING

Full Stack Web Developer

Nov 2025 – Jan 2026

Talento Digital, Indotel · Santo Domingo, DR

Digital Competencies Initiation Program

Jul – Nov 2025

IMMUNE Technology Institute · Madrid, Spain

Web Programming in JavaScript

Jan – Apr 2024

Instituto Tecnologico de las Americas (ITLA) · Santo Domingo, DR

Web Page Programming with JavaScript and HTML

Mar – May 2023

Centro de Tecnologia Universal (CENTU) · Santo Domingo, DR

ADDITIONAL SKILLS

Technologies: HTML5 · CSS3 · JavaScript (ES6+) · TypeScript 5.9 · C# .NET 8 · React 19 · Node.js · Visual Basic · MSSQL · RDBMS · Oracle · Liquibase (XML) · MinIO · Git/GitHub · SCRUM/Jira · Azure DevOps · Clean Architecture · CQRS (MediatR) · xUnit · Serilog

Business: Leadership · Teamwork · Proactivity · Accountability · Team and Project Management

Languages: Spanish (native) · English (advanced – Universidad Autonoma de Santo Domingo)

ACHIEVEMENTS AND FEATURED ACTIVITIES
